One Song: A New Illuminated Rumi  
By Michael Green  
A Book Excerpt on Hospitality

All religions, all this singing  
One Song.  
The differences are just  
Illusion and vanity.  
The Sun's light looks  
A little different on this wall than  
It does on that wall,  
And a lot different on this other one,  
But it's still one light.  
We have borrowed these clothes,  
These time and place personalities  
From a light,  
And when we praise,  
We're pouring them back in.
